Johnny O'Neal / Eric Reed

An evening of gospel and blues piano, where the music is always joyous.

Like the film "Ray" – where Johnny O'Neal portrays Art Tatum – this project explores the similarities of church and secular music.

"This stuff is not some repertory music, this music is vibrant, and these guys are rockin' and burning," says Monty Alexander. "Boogie-woogie is no museum piece. It's alive and well in the hands of the current masters."

NOW AVAILABLE ON SACD

Larry Coryell, Badi Assad and John Abercrombie *Three Guitars*

Coryell, Abercrombie and Assad *Three Guitars*

SACD289

This line-up portrays an interesting blend of musical backgrounds from Jazz to Classical to Fusion to Brazilian, with each artist contributing their own compositions to the mix. Here Coryell, Assad and Abercrombie are recorded together for the first time with Chesky brilliantly capturing the spontaneous combustion of spirit and creativity.

1. *Seu Jorge E Dona Ica*
2. *New Lute Prelude*
3. *New Lute Interlude*
4. *Soundtrack*
